Bank of Guam and BankGuam Holding Company Founding Board Member Dr. Luis Camacho Resigns “42 Year Board Member Will be Missed”

August 8, 2014 - Hagatna, Guam. Bank Guam Holding Company has received and accepted the voluntary resignation of one of its Founding Board members, Dr. Luis G. Camacho. He was a member of the Board for the Company since its inception in 2010. More notably, Dr. Camacho served on the Board of Directors for the company's sole subsidiary, Bank of Guam, for a total of 42 years and is one of two remaining original board members of the Bank of Guam.

Dr. Camacho, one of Guam's first dentists and its first orthodontist, has also served on a number of boards, including being the President of the Guam Dental Society and being on the boards of the Guam Board of Dental Examiners and the Guam Shopping Center.

Lourdes A. Leon Guerrero, BankGuam Holding Company Board Chair, President and Chief Executive Officer, stated, “Dr. Camacho has provided sound judgment and counsel since the Bank was founded and later when BankGuam Holding was created, providing astute guidance during its most challenging of times. On behalf of the Board, Management and Staff of Bank of Guam and BankGuam Holding Company, we are profoundly thankful for his dedication, loyalty and wisdom. On a personal note, I will miss Dr. Camacho. He supported my father's vision over 42 years ago, and was steadfast in his support for a strong and growing local bank. I am happy that he has helped to guide our growth and witnessed our enduring success.”
