

Reyes joins Bank as VP of Business Analytics

Posted by Bank of Guam on 4 July 2015

HAGATNA, GU. – The Board of Directors, Management and Staff of Bank of Guam are pleased to announce that John F. Reyes has joined the Bank of Guam as Vice President of Business Analytics.

Reyes is a Magna Cum Laude graduate of Regis University in Colorado with an MBA in Business Administration. He brings with him more than 8 years of experience in reporting, analytics, operations, strategy and program management. He joins the People's Bank from Cloudbit, Inc. in North Carolina where he served as Vice President of Operations.

“We are very excited to have someone with John’s knowledge and expertise joining our leadership team”, stated Joaquin Cook, Executive Vice President/Chief Sales and Service Officer. “We look forward to many years of continued growth and outstanding customer service under his leadership”.
